**SECOND SUPPLEMENTAL RESPONSE TO OCTOBER 1, 2003 OFFICE ACTION**

Sir:

This paper supplements the Response filed on April 1, 2004. Page 30 of that Response states that:

It is submitted that Amended claims 19 and 35 define a trading system and method in which forwards spread trading is carried out substantially differently from the types of trades described in Wilton, et al. and in some of the newly cited references.

To assist the Examiner's review of the newly cited references in connection with claims 19 and 39, below is a list of occurrences in the newly cited references of the word "spread" as found by an electronic word search of the respective document accessed from the USPTO's website.
